Erotic novel

Víctor García

Kate's life is about to become a chaotic whirlwind. She starts dating with Victor, an experienced youngster and BDSM lover and, at the same time, she starts receiving threatening letters from a mysterious admirer. Plenty of pleasures await Kate, pleasures she never dreamed of. Will she dare to fulfill her darkest fantasies?

## Synopsis

Kate, a young Englishwoman settled in Madrid, falls in love in the Retiro Park. Carried away by her feelings, she dares to approach Victor, a mysterious boy.

Their sexual encounter ends with a revelation for Kate: the pleasures of BDSM, which she had never enjoyed before. Kate is so excited; she instantly feels a deep connection with Victor, but she is also intrigued by the fact that he knows too much about that peculiar sexual world; on the other hand, his somewhat eccentric and chaotic behaviour perplexes Kate, who does not know what to do nor what to say to his proposals. While Kate tries to clarify her ideas, she receives a letter from a stalker, someone heartbroken that spied her while she was with Victor. A stranger who confesses his love, his pain and makes a promise he will keep no matter what: "Soon you'll be mine, Kate."

-This book follows the footsteps of other titles of this collection: it is a highly erotic narrative, a high-quality piece of literature that responds to the growing demand for new titles of this genre in Spain.

- Víctor García is the creator of the erotic universe of Khamira and possesses a great knowledge of women's erotic fantasies. He has published another title in Tombooktu Erótica, *To dare or Not To Dare*. He also conducts and produces an erotic radio program.

- The exciting but little-known world of BDSM is the backdrop of this novel. This world is presented in a stylish way and with great literary quality.
