## Pirates, explores and soldiers

### Synopsis

The presence of Spain in Africa not only focuses on the protectorate of Morocco. Thanks to the journalist and traveller Fernando Ballano, we know many historical facts unknown, forgotten, curious or hidden about the presence of Spaniards in the African continent.

The export of gravestones in the 12th century to Niger, the discovery of the sources of the Blue Nile, the exploration and colonization of Guinea and Sahara, the existence pirates from Extremadura who came to form an independent Republic in Morocco... a work that takes us into places and situations which we did not know despite its proximity

### Biography

**Fernando Ballano** has a degree in psychology and a masters in contemporary history. He is the author of several guidebooks (Tanzania, Rwanda and Burundi; Zanzibar; Poland) and regularly collaborates with media outlets specializing in travel and history. He currently works as a teacher of secondary education

### Sales pitch

-Its author is one of the few specialized historians in the history of Africa. It is also a great traveler who has study deeply in situ, through many years of research, all the situations that he narrates.

-This title presents unknown and new stories about unusual adventures of Spanish people in Africa.

-It is a demystifying work that breaks topics and provides proven information on false or wrong beliefs in our history.

-It presents exciting, fast-paced, curious and surprising historical facts that make this title an entertaining work that will delight both lovers of trips and adventures.
